

Tsunami 2004: Still Wading Through Waves of Hope

December 26th, 2014 marked the anniversary of the monster waves seen around the world. Is life restored back to normal on the shores of Nagapattinam, South India? Will it ever be? Well go to the most devastated, remote villages where no one else has gone, Bishop Leo Michael promised a Northwest Arkansas Newspaper reporter. Like a sweeping wave, news of the tsunami fundraiser spread to a national level. Bishop Leo Michael became the ideal vehicle to collect, then ferry aid across the sea. He had lived and worked in the now tsunami devastated region for many years, spoke the native language, and had a counseling degree. Ten DAYS later, trekking into impassable villages and decimated shorelines the Michaels helped the widows and orphans and most affected by the Tsunami. Ten YEARS later, the Michaels returned to the same villages and encountered surprising changes and a life-threatening situation
