

Roy Shaw Unleashed - Hes a one man killing machine. This is his story by those who know him best

When Kate Kray wrote *Pretty Boy*, she interviewed scores of people. Almost without exception, as she was leaving, they would say to her, Ill tell you something about Roy--but dont tell him I told you... These stories were too shocking and close to the bone to include without Roys permission, and now that permission has been granted. *Roy Shaw Unleashed* is a collection of those stories, as told by Roy himself and those close to him. It includes true stories of murder and violence, and the final truth about his famous fights with Lenny The Guvnor McLean.
