

## Video Companion DVD for Friedrichsens Microsoft Office Access 2010: Illustrated Introductory

This video companion is your personal companion to Microsoft Access 2010 Illustrated - Introductory, containing nearly 90 video tutorials that are based on lessons in the book. Each five-minute video maps to a two-page lesson in the text and provides a visually dynamic overview of the key concepts and steps in that lesson. Combined with the book, these videos provide a rich learning experience to keep all students engaged and help them learn and retain skills.
