

Whats an Alpha-Beta-Soupa?: An Indispensable Guide to College (Indispensable Guides)

Getting ready for college can be daunting with the decisions, changes, preparation, planning, and the money. . .the money! This savvy guidebook aims to alleviate stress by arming readers with excellent academic and financial resources and practical advice about the nuts and bolts of higher education. It includes strategies for taking tests and staying on top of studies. It also covers non-academic issues, like living with roommates, dating, and how to maintain faith and emotional stability amid the pressures of college life. Great anecdotes and conversational tone make for a fun read. Ideal for a high school grad-or anyone whos college-bound.
