

When God Laughs & Other Stories (Annotated)

*This Book is annotated (it contains a detailed biography of the author). *An active Table of Contents has been added by the publisher for a better customer experience. *This book has been checked and corrected for spelling errors. Named after the first story about a couple that tries in vain to uphold an intensely idealistic romance against the erosions of time and the inconstancy of human nature the collection explores themes for which London became famous: the struggle for survival in the midst of hostile environments, human natures most elemental drives, and worker abuse in industrialized society.
