

On the Run

Fifteen-year-old Luke is a skilled thief with a perfect record until the day he is caught running from a robbery gone wrong. He chooses to save the life of a blind girl, Jodi, rather than escape cleanly. As a result, Luke is given a shot at freedom if he will train to be Jodi's guide in the London Marathon. The friendship that develops between the two offers Luke one last chance to discover just how far-and in what direction-he is willing to run. A taut, unpredictable read, this novel will appeal to anyone who has changed course in life . . . or is trying to figure out how.
