

Evidence-Based Treatment Planning for Generalized Anxiety Disorder DVD / Workbook Study Package (Evidence-Based Psychotherapy Treatment Planning Video Series)

Mental health professionals are under growing pressure to be trained in the latest in Evidence-Based Practice (EBP). In Evidence-Based Treatment Planning for Generalized Anxiety Disorder DVD, Drs. Art Jongsma and Tim Bruce offer step-by-step guidance on how to use EBP treatments to inform the entire treatment planning process. Understanding and applying the information learned from this DVD increases the likelihood of client improvement and helps mental health professionals meet the requirements of most accrediting agencies and funding sources.
