

History of Methodism in Providence, Rhode Island, from Its Introduction in 1787 to 1867 (Classic Reprint)

The introduction of Methodism into New England was an epoch in its religious history, the results of which we are unable, at present, fully to estimate. The facts and incidents of its early history are deeply interesting, but exceedingly fragmentary, requiring no little amount of labor to collect and arrange in chronological order. The preparation of this work was commenced at the request of the Providence District Preachers Meeting, while the writer was pastor of Chestnut Street Church, and was intended, originally, to be confined to that church. But it was thought best, subsequently, to extend the work and include a brief history of the other Methodist churches, in the city. We have done this as best we could, with the materials at our command. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
