

## Wordly Wise 3000: Grade 12, Book 9

Presented in the formats most often used in high-stakes tests, these tests assess students understanding of every word in the series, while providing ample opportunity to hone their test-taking skills. There is a test for each lesson in the Wordly Wise 3000 series. Each word taught - including all its forms and meanings - is tested. Cumulative tests for the first and second halves of each book feature new passages of the type students will inevitably face on high-stakes tests. Tests are provided in reproducible Blackline Master format with answer keys.
