

## Yo, Simon, 16 anos, Homo Sapiens (Spanish Edition)

Simon Spier es un adolescente de 16 años que aun no revela su homosexualidad, y prefiere guardarse todo el drama para el musical de la secundaria. Pero cuando uno de sus correos privados cae en las manos equivocadas, el gran secreto se encuentra en riesgo. Ahora, Simon esta siendo chantajeado: si no le ayuda al payaso de la clase a conseguir la chica que le gusta, su secreto sera revelado. Y algo peor: se encuentra en riesgo la privacidad de Blue, el alias del chico con el que ha estado hablando. / Sixteen-year-old and not-so-openly gay Simon Spier prefers to save his drama for the school musical. But when an email falls into the wrong hands, his secret is at risk of being thrust into the spotlight. Now change-averse Simon has to find a way to step out of his comfort zone before hes pushed out.
